INDUSTRIAL LIFTING SOLUTIONS

ABOUT ARVEX

Industrial Lifting Solutions

ARVEX focuses on industrial lifting solutions designed to support efficient movement of loads across demanding work environments. Our product range covers crane systems, hoisting equipment, and key crane components for a variety of industrial applications.

WHY ARVEX

Application-Focused Solutions

Solutions designed for various industrial lifting needs.

Robust Industrial Design

Engineered to perform in demanding work environments.

Safety-Conscious Engineering

Designed with a focus on safe and reliable operation.

Product Range for Diverse Needs

Wide range of cranes, hoists and components to support different applications.

INDUSTRIES WE SERVE

Manufacturing

Warehousing

Engineering

Workshops

Infrastructure

OUR PRODUCT RANGE

EOT / HOT Cranes | Hoists | Jib & Goliath Cranes | Crane Components | Control Panels

Lifting Solutions for Industry

ARVEX

INDUSTRIAL LIFTING SOLUTIONS

PRODUCT RANGE

ENGINEERED FOR HEAVY DUTY PERFORMANCE

01

EOT / HOT OVERHEAD CRANE

Reliable overhead material handling solutions designed for efficient, safe and continuous operations across industries.

- High Lifting Capacity
- Smooth & Safe Operation
- Customised Design
- Low Maintenance
- Heavy Duty Performance

02

GOLIATH / GANTRY CRANE

Heavy-duty lifting solutions for open bays, yards and large work areas. Ideal for handling bulky and heavy loads with maximum stability.

- High Load Handling Capacity
- Ideal for Outdoor Use
- Robust & Stable Design
- Custom Span & Height
- Reliable Performance

03

JIB CRANE

Flexible and economical lifting solution for workstations and small work areas. Suitable for various industrial applications.

- Space-Saving Design
- Easy Operation
- Wide Application Range
- Customised Options
- Durable & Low Maintenance

SUITABLE FOR VARIOUS INDUSTRIES

Manufacturing | Automotive | Steel & Metal | Engineering | Warehousing | Construction | Fabrication | Logistics

LIFTING SOLUTIONS FOR A STRONGER TOMORROW

ARVEX CRANES

INDUSTRIAL LIFTING SOLUTIONS

PRODUCT RANGE

04 ELECTRIC CHAIN PULLEY BLOCKS

Compact lifting solution for reliable everyday material handling.

KEY FEATURES

- Reliable lifting performance
- Robust industrial construction
- Easy operation

05 ELECTRIC WIRE ROPE HOIST

High-performance hoisting for demanding industrial applications.

KEY FEATURES

- Precise load handling
- Durable wire rope system
- Smooth lifting operation

06 CRAB

Cross-travel hoist assembly designed for EOT/HOT crane systems.

KEY FEATURES

- Stable cross travel
- Heavy-duty assembly
- Reliable load movement

SUITABLE FOR VARIOUS INDUSTRIES

Manufacturing | Automotive | Steel & Metal | Engineering | Warehousing | Construction | Fabrication | Logistics

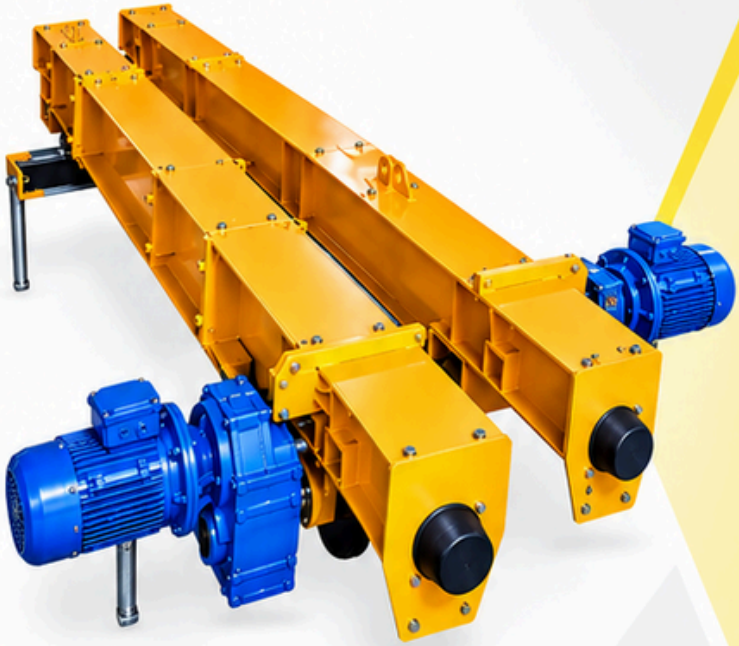

ARVEX CRANES

INDUSTRIAL LIFTING SOLUTIONS

PRODUCT RANGE

07 END CARRIAGE

Heavy-duty end carriage designed for smooth and reliable travel movement in EOT/HOT cranes. Manufactured with precision for durability and long service life.

KEY FEATURES

- Robust & Durable Design
- Smooth Travel Movement
- Suitable for Single & Double Girder Cranes
- Low Maintenance
- High Load Capacity

08 ELECTRIC PANEL OF CRANE

Advanced electrical control panel for safe, reliable and efficient crane operations. Designed as per industrial standards with premium components for smooth performance and better control.

KEY FEATURES

- Customised Design & Manufacturing
- Safe & Reliable Operation
- High Quality Electrical Components
- Precise Control for Crane Movements
- Easy Installation & Maintenance

SUITABLE FOR VARIOUS INDUSTRIES

Manufacturing | Automotive | Steel & Metal | Engineering | Warehousing | Construction | Fabrication | Logistics

ARVEX CRANES

INDUSTRIAL LIFTING SOLUTIONS

WHY CHOOSE ARVEX ?

BUILT FOR PERFORMANCE TRUSTED FOR TOMORROW

Delivering reliable, safe and efficient material handling solutions for a stronger and more productive industry.

QUALITY PRODUCTS
Engineered for long service life

SAFETY FIRST
Reliable & Secure Operations

CUSTOMISED SOLUTIONS
As per your Application Needs

EXPERIENCED TEAM
Technical Support at Every Step

AFTER SALES SUPPORT
Quick Service & Spare Parts Availability

COST EFFICIENT
Better Performance with Long-Term Value

OUR WORK PROCESS

From Requirement to Reliable Solution

Understand Your Requirement → Design & Engineering → Manufacturing with Quality Control → Delivery & Installation → After Sales Support

OUR COMMITMENT

- Superior Quality
- On-Time Delivery
- Customer Satisfaction
- Long-Term Partnership

QUALITY & SAFETY

Our Priority in Every Crane

- Quality Components
- As per Industry Standards
- Safe & Reliable Operations
- Low Maintenance Design

SERVICE & SUPPORT

Always With You, Beyond Delivery

- Technical Assistance
- Spare Parts Support
- Maintenance Support
- Expert Guidance

ENGINEERED FOR PRODUCTIVITY • DESIGNED FOR RELIABILITY

ARVEX

INDUSTRIAL LIFTING SOLUTIONS

INDUSTRIES WE SERVE

ARVEX provides reliable and customized lifting solutions for a wide range of industries, helping businesses improve productivity, safety and efficiency in their operations.

Manufacturing
Automotive, engineering, machinery and general manufacturing units.

Warehousing & Logistics
Material handling and storage operations.

Steel & Metal
Steel plants, rolling mills, fabrication units and metal processing.

Construction
Infrastructure, commercial and industrial construction projects.

Power & Energy
Thermal, hydro and renewable energy plants.

Oil & Gas
Refineries, petrochemical and process industries.

Cement
Material handling for cement plants and bulk material operations.

Ports & Shipyards
Cargo handling, heavy equipment maintenance and vessel operations.

Automotive
Vehicle manufacturing and component handling.

Aerospace
Precision lifting for aircraft manufacturing and MRO facilities.

Railways
Locomotive assembly, coach maintenance and infrastructure projects.

General Engineering
Heavy fabrication, process equipment and custom applications.
